## VARSITY AWARDS

Teams should check in to the warm up area at the check-in times listed below for their specific awards session. Teams will then be lined up in order backstage and led to their spot on or around the stage. Should your check in time conflict with an awards ceremony time, please make your way backstage in order as soon as you exit the stage, or you may be asked to remain on the stage if you are in the next division or group of divisions to be announced.

Awards ceremonies will run on a continuous flow and may run slightly early or late.
